# OUT AND ABOUT

This exclusive development in Heywood comprises six stunning detached homes with 4 bedrooms and garages, and one bungalow with 3 bedrooms.

Located on Bury Old Road, Heywood, this development is perfectly placed between the towns of Rochdale and Bury, boasting impressive views over the Roch Valley to Scout Moor Wind Farm. There are some great amenities nearby, including Tesco Express and Morrisons, as well as impressive retail offerings and a cinema at The Rock, Bury, which is just 6 minutes' drive away. There are also a range of nurseries, primary schools, and secondary schools to choose from in the area, making this a great location for families.

There are some lovely green spaces nearby for walks, the 42 acre Springfield Park is a short drive away, with a children's playground, miniature railway, football pitches, golf course and more. Queen's Park is just 2 miles from the development, and it is a short drive to Elton Reservoir in Bury.

Connectivity is good here, with the M62, M66 and M60 all in proximity. The closest train station is Castleton, with trains to Manchester Victoria taking just 18 minutes, perfect for the daily commute.

# A NAME YOU CAN TRUST

The Wiggett Group was founded in 1979; and since then, has established itself as a family run business with a team of dedicated, long standing staff members.

Wiggett Homes is the private residential development side of the business, providing beautiful homes to a range of people, including first time buyers, families, and down sizers. The sites we develop usually consist of between 10 - 100 homes, and at many sites local, natural

materials are used, to complement their surroundings. We design our developments with a neighbourhood feel in mind, as we know how important placemaking is to help you feel at home from the day you move in.

We strive to create well designed homes, that suit a range of needs, including the evolving lifestyles of the modern homeowner. It is important to us that the fixtures and fittings, craftsmanship and the materials used are always high quality.
